

Methacton Transportation

April 18, 2017 Board Meeting

Transportation Overview

- Created a team of experts from Bus Boss, First Student, MCIU and veteran drivers that live in the community.
- With the closing of a school, the team is evaluating all routing and bus stops to determine the safest and most efficient stops.
- The team's goal is a smooth 2017-2018 start-up with the safety of all students first.

Responsibilities

- Orbit/Bus Boss
 - Analysis routing
 - Roll Over yearly student data
 - Routing notifications
