

KONSTELLA

Konstella is a web-and-mobile-based service that helps parent organizations streamline communications, centralize information, and build engaging parent communities. Eagleville Home & School uses this portal to *communicate events, messages, activities*, etc. Stay current with announcements, school events and all Home & School activities by registering on **Konstella today**. In addition, parents can **communicate** with teachers and other parents via a message board.

Sign up on Konstella. It's easy!
