

The word "SUMMER" is written in a bold, blocky font. The letters are yellow and orange. A smiling sun with a face is positioned above the letter 'M'.The word "Math" is written in a 3D, colorful font. The letters are orange, blue, green, and pink. Below the word are three white mathematical symbols: a plus sign, a multiplication sign, and an equals sign.

To find a link for our summer math review packet, please go to www.methacton.org, and under "District Offices" find "Curriculum, Instruction, and Assessment". Look for "**Elementary Summer Math**" on the left-hand menu. Click there to find "**Summer Math Reviews**" for each grade level Kindergarten – 4th grade.
