Methacton High School

1005 Kriebel Mill Road | Eagleville, PA 19403 Office: 610-489-5000, Ext. 25026 Fax: 610-489-1502

Our School

The high school is an academically-focused comprehensive secondary school with an enrollment of 1,574 students in grades 9 through 12. Individualized student schedules provide for ability levels, educational and vocational plans, and personal interests. Strong community involvement is encouraged.

Our Community

Methacton School District was formed in 1969. It serves the suburban Montgomery County townships of Lower Providence and Worcester, approximately 25 miles northwest of Philadelphia and seven miles east of Valley Forge. Its residents are largely middle to upper middle income. The 32 square mile district includes a population of 38,000.

Curriculum

The school year is divided into four nine-week marking periods. There are seven, 47 minute instructional periods per day. Departmental offerings include Advanced Placement, Honors, College Preparatory, Technical, Academics, and Career. The instructional program is designed to include flexibility through many educational alternatives. In addition to elective programs in English, Social Studies, Mathematics, Science, World Languages, and Driver's Education, there are special programs such as Gifted Seminar, Pre-Career, Dual Enrollment, and Community Service. The Dual Enrollment courses are offered in conjuction with Montgomery County Community College. Online learning is offered through Brandywine Virtual Academy. Eight technical career clusters, the Pennsylvania Youth Apprenticeship, Allied Health Sciences, and the Biotechnology Program are offered through the North Montco Technical Career Center.

Grade Point Average

Grading is based on a 100 point weighted scale. Each final grade from an Advanced Placement course is multiplied by a factor of 1.2. Each Honors and Dual Enrollment course is multiplies by a factor of 1.1. Grades earned in all completed subjects (9-12) are included in computing a grade point average. Beginning with the Class of 2020, Methacton High School will no longer report class rank.

Grading System

A	≥90	P	Pass (≥60)
В	80-89	W	Withdraw
С	70-79	WF	Withdraw Fail
D	60-69	Ι	Incomplete
F	≤59		_
