Dear Spanish Student and Parents/Guardians,

This year will be an exciting one! The textbook series we are currently using is Así Se Dice by Glencoe-McGraw-Hill 2016. Highlights of the series include an emphasis on communication, critical thinking, knowledge of the basic structures of the language and exploration of various Hispanic cultural topics. Students will need the workbook to be successful in the class. It is a combination of Spanish grammar/writing practice and audio activities. The cost of the workbook is **\$12**.

You are under **no obligation** to purchase the workbook, but if possible, we strongly suggest that you do. If you choose not to purchase it, your child may borrow it to use for the year. If borrowed, students will have to do all the assignments in a separate notebook. Workbooks that are borrowed must be returned at the end of the year and must be in good condition with cover intact and **no writing** on any pages. A suggestion would be to keep it in a separate binder.

If you would like to purchase the workbook, please send \$12 in cash (exact amount) or a check payable to **Methacton School District** no later than September 16, 2017.

Thank you,
Methacton High School Spanish Department
