

The Skyview Health and P.E department want to give our students and families an opportunity to reconnect through a enjoyable event. We all need opportunities to take a break and have some fun. We are encouraging all families to participate in a WEEK long Virtual Olympics. The only thing you have to do is complete the 5 events within the week and then share your results on MAY 8th. **The GRADE LEVEL who has the most participation by the end of the week will win this year's virtual Olympics.** You can find a description of each event as well as a link to post your scores below.

Start Date: May 4th – 8th

Click here to learn about each event! **The LAST google slide (slide 13) will have a link where you can post your scores.**
