

# Skyview Career Day!

Friday, March 20, 2020

Skyview Upper Elementary School will host its 9<sup>th</sup> annual Career Day on Friday, March 20, 2020 and we need your help! Career Day is an exciting school-wide event that builds career awareness and offers students an up-close and personal view of a wide range of jobs in and around our community. The presentations of our alumni, parents, friends and community members spark student interest and allows them to develop an understanding of the skills necessary for various professions.

We know our community is filled with many talented people who have interesting careers. If you, or someone you know, would like to share your career with our students, why you chose it, and the path you took to get there, we welcome you to sign-up and join us in inspiring our students by either completing the electronic volunteer form online at <https://cutt.ly/meA3EU8> or by filling in the information below and returning to Ilene Rutter, Skyview Upper Elementary School, 4001-B Eagleville Road, Eagleville, PA 19403.

### Skyview Career Day Presenter Information
